

Thank you for taking the time to read this,

I am a marching member of the 2012 Phantom Regiment Drum & Bugle Corps from Rockford, Illinois. Phantom Regiment is a private non-profit youth organization in the performing arts. I am currently preparing for our upcoming summer tour, which consists of over 30 competitions throughout the United States. Our organization will travel through 30 states over a period of 70 days traveling approximately 15,000 miles.

By being a part of this internationally renowned organization, I will have the opportunity to receive outstanding instruction from a well-known staff, tour the United States, and meet people from all over the world. Lessons, such as discipline, perseverance, and collaboration, will assist me throughout my adolescence and into my adulthood. In order to participate, I must raise up to \$2,975 dollars to assist in paying the traveling expenses the Corps incurs throughout the summer.

Your sponsorship will help in providing me the opportunity to compete as a member of one of the finest drum & bugle corps in the world! If you are able to help (every dollar helps), please make the check payable to Phantom Regiment and mail directly to:

Phantom Regiment
5050 E State St
Rockford, IL 61108

Please attach this letter with your check and make sure your correct address is on the check.

Our Director of Programs, Dan Farrell, has approved this letter, and is encouraging the opportunity for you to sponsor me. If I choose to resign my membership, sponsorships received would then be rolled over into the general scholarship account (which would then be tax deductible). If you have any questions or comments concerning your support or about our organization, you can contact Dan by email at: dan@regiment.org or at 815-226-2835. You can also visit our website at: www.regiment.org.

Thank you in advance for your support!

Kevin McKenzie
